

# SEAN WEBSTER

## STAGE PLAN

An audible clean mix is required with at least two separate monitor mixes and six mics per drum kit.

3 to 5 KW sound system for clubs up to 500 capacity  
5 to 8 KW – 1000 capacity  
8 to 18 KW – above 1000 capacity

Outdoor events must have sound systems provided by professionals fully aware of the requirements for an external PA.
